INSPIRING TALKS, MEANINGFUL CONVERSATIONS, REAL IMPACT.

DEPARTMENT TALK

What CSE, IIT KGP is building and where alumni can help.

A look at what the department is building, what makes it distinctive, and where alumni can contribute.

ALUMNI & FACULTY VOICES

Real journeys.
Specific opportunities.

Alumni career journeys alongside faculty perspectives and opportunities to engage.

PANEL DISCUSSIONS

Industry. Research.
The Future of Computing.

Industry challenges that deserve academic attention, alongside where computing is headed and what CSE, IIT KGP should build for the future.

TECHNICAL POSTERS & PLEDGING

See cutting-edge research
from the department.
Make your commitment.

Research projects on display, with opportunities to mentor, invest, or guide research.

THEMED NETWORKING & DINNER

Connect around
what you're looking for.

Research & industry collaboration · Mentoring ·
Startups & investment · Hackathons, upskilling &
community · Dinner & conversations

WHO CAN REGISTER ?

- Any IIT KGP alumnus — any batch, any department — currently working in CSE/IT or related computing fields.
- Especially relevant for alumni looking to give back, mentor students, support research, or engage with the startup ecosystem.
- +1 guests: To be confirmed (e.g., spouse/partner allowed)

WHY SHOULD YOU COME ?

- Reconnect with campus peers now driving tech in Bengaluru
- Support department research and UG projects
- Participate in professional upskilling and hackathons
- Participate in the design of the Microcredit Course on AI Innovation
- Have a front-row seat to the department's progress — be a facilitator and a friend
- An evening with people who share the same campus memories
